

Perry Gamba

Public Health | Project Management | Monitoring and Evaluation

PMP®-certified consultant with 15+ years delivering M&E systems, public health programs, and social development initiatives across Africa and Europe. I specialise in designing national monitoring and evaluation frameworks, leading multi-country programs, and applying data analytics to drive accountability and performance improvement. Based in Switzerland, I work with governments, NGOs, and international organisations, and currently lead the founding of LernWeg Primarschule, a new private primary school in Canton Glarus.

Employment Overview

Project Founder & Strategic Lead

LernWeg Primarschule | Jan 2025 – Present | Glarus, Switzerland

Founding and leading the establishment of a new state-recognised premium private primary school in Canton Glarus — a Lehrplan 21-aligned, German-medium day school with multi-age learning groups and an average class size of 12 pupils (42 pupils at capacity).

Authored the full regulatory proposal and Business Plan covering cantonal authorisation, pedagogical model, governance, financial projections (CHF 1.5 million establishment budget, break-even Year 3), and investor strategy.

Designed compliance architecture against Art. 62 Federal Constitution, Glarus Volksschulgesetz, and cantonal Bewilligung requirements; coordinated pre-application engagement with Departement Bildung und Kultur, Kanton Glarus.

Strategic Consultant — Education Policy & Regulatory Affairs

Trägerverein LebeORT Innerthal | May 2026 | Canton Schwyz, Switzerland

Engaged as independent external strategic advisor following the Canton Schwyz education department's rejection of a private primary school permit application (LebeORT Innerthal concept, 13–22 pupils).

Conducted systematic compliance analysis against Art. 62 Federal Constitution, Lehrplan 21, HarmoS Concordat, and Volksschulgesetz Schwyz; identified 13 specific compliance gaps across curriculum, governance, qualifications, safeguarding, and data protection.

Delivered a 9-page structured advisory report with a prioritised recommendation framework and 5-step resubmission action plan, equipping the founding team to reapproach Canton Schwyz as a credible, compliant school operator.

Senior Project Coordinator

LernRaum GmbH | Jan 2019 - Present | Glarus, Switzerland

Coordinated the Switzerland–East Africa school partnership programme, designing and evaluating youth leadership workshops across public and private schools. Led project planning, monitoring, and performance reporting. Strengthened intercultural collaboration and measurably improved program delivery outcomes across 50+ partner schools.

Mentee/Mentor

Deloitte CARE | Jan 19 - Feb 20 | Zurich, Switzerland Prepared and facilitated project management workshops.
 Talked with individuals, sharing positive life experiences to encourage improved self-esteem and boost socialization.
 Assisted with the development of daily living, communication, social and business skills. Participated in mentorship training programs.

Trainee

Deloitte | Jul 2018 - Dec2018 | Rotterdam, Netherlands

Completed training courses in financial consulting, taxation, legal services and soft skills to build an understanding of refugee integration.
 Participated in research to support the goals and objectives of the trainer and assigned team.
 Collaborated with team members to grow contributions through diligent focus and attention to detail.
 Identified areas for potential improvement and gave feedback to the trainer. Worked well in a team environment as well as independently.

Monitoring and Evaluation Manager

Directorate of Medical Services, Ministry of Defence | Jun 2014 - Jun 2018 | Uganda

Designed, implemented, and assessed health service delivery systems. Built and supported the medical services M&E system.
 Maintained MoD Databases, led departmental performance reviews and conducted field monitoring visits.
 Developed, disseminated, and updated M&E plans and conducted data quality assurance checks.
 Trained MoD health facilitators in Health Management Information System (HMIS). Trained local community members including refugees in best public health practices. Supported capacity building through training of health facilitators.

Chairman Monitoring and Evaluation Committee/Health Component Manager

Uganda Rural Literacy and Community Development Association Jun 2014 -Jun 2018(Part-time) | Kampala, Uganda

Trained selected cultural leaders on Participatory Action Research. Conducted oral cultural history training emphasising the role of the girl-child.
 Trained selected cultural leaders and representatives of refugees on best public health practices, law, environmental management tools, and skills.
 Conducted country-wide study tours to understand practices of environmental management.

Established and managed health camps/wellness clinics.

Improved decision-making with leadership and delivered recommendations for successful programs, policies, and plans.

Monitoring and Evaluation Manager

Ministry of Defence | Oct 2009 - May 2014 | Uganda

Developed new research concepts, reviews, protocols, amendments, modifications, and renewals, and prepared reports among others.

Developed beneficiary database selection tools for management interventions. Designed and implemented an online data management system.

Designed organization progress reporting templates as well as an M&E plan.

USAID - Uganda Oil Seed Producer's Associated | Jan 2003 - Feb 2009 | Kampala, Uganda

Prepared and facilitated project management workshops.

Talked with individuals, sharing positive life experiences to encourage improved self-esteem and boost socialization.

Assisted with the development of daily living, communication, social and business skills.

Participated in mentorship training programs.

Accounts Assistant

Save the Children UK | Feb 2002 - Apr 2003 | Kampala, Uganda

Oversaw the organisation's finances, commission distribution, reconciled bank balances, and accountabilities for all cash inflow and outflow and prepared monthly reports.
